Sticker Compatible Brown Compostable pouches

A close-up photograph of a brown paper bag with a clear plastic zipper. The bag is made of a textured, natural-colored paper. The zipper is a clear, flexible plastic strip that runs along the edge of the bag's opening. The bag is shown from a slightly low angle, with the zipper curving upwards. The background is a solid teal color. The text "Low MOQs for Flexible Branding, Compostable Zipper" is overlaid on the bottom left of the image.
